The successful candidates are required to report to the Provincial Education officers at the earliest possible time within 30 days to facilitate placement on the payroll

Positions are non transfereable and the newly recruited teachers are expected to serve in their duty stations for not less than 4 years

When reporting successful applicants should produce their certified accademic, professional, Green National Registration Card and TCZ registration Certificate

Letters of appointment from the Teaching Service Commision should be collected from the Provincial Education Office of the posting District

Grace period for repoting is 30 days from date of publication, thereafter replacements will be done
